1. Add Offense > Offense Details > to remove "Summon No."

- "Summon No" fields are now removed

2. Add Offense > Offense Details > To ensure "Time" and "Date" fields are mandatory

- Both Fields are now mandatory to be filled

3. Serial Number to be continuous number for NOV form. Currently, the running number will be re-setted upon a new month.

-functions are now set to just check same year instead of year and month

```php
// Get running number for the same year
$this->db->where('YEAR(enforcements_main_created_at)', $year);
$this->db->where('enforcements_main_id <=', $enforcement_main_det->enforcements_main_id);
$this->db->where('enforcements_main_active', 1);
$running_number = $this->db->count_all_results('enforcement_main');

$serial_number = 'NoV/' . $year . '/' . $month . '/' . str_pad($running_number, 4, '0', S
$duty_officer_name = isset($this->session->name) ? $this->session->name : '';
```

4. "Suspension End Date" has the same value as "Period of Suspension"

- For "Terminated and Blacklisted" cases now shows up on both "Suspension End Date" and "Period of Suspension" in the NoV

Period of Suspension:	Terminated and Blacklisted
Suspension End Date:	Terminated and Blacklisted

5. To add audit trail
